

FISH Group Registration Form

Date: _____

A *FISH* group is a group of 8-10 adults who gather together to form a community, celebrate holidays and life cycle events and learn more about subjects of mutual interest. Depending on members' interests, *FISH* Group events can be social, service-oriented, spiritual, or study-based. Groups meet regularly in members' homes (usually monthly) or at other chosen places, for example, movies, museums, churches, or parks. *FISH* members often form lasting bonds by creating a caring and personal community within the church.
