Checks should be payable to LOPC, with "Joplin Mission Trip" in the memo line. Please deliver or mail all checks and paperwork to Robin Freeberg, 49 Knox Drive, Lafayette CA 94549.

For those travelling with the group

- \$668.95 per person includes airfare, hotel (sharing a room with one other person), ground transportation, and breakfast Monday-Friday. Individuals are responsible for the cost of other meals. If you snore loud or just prefer to have a single room, the cost is \$900.30.

*For those meeting us in Joplin**

- \$231.35 per person includes hotel (double occupancy) and breakfast Monday-Friday. Individuals are responsible for the cost of other meals. A single room is \$462.70

**We can only provide ground transportation from Kansas City to Joplin for those arriving within one hour of the group flight. Others should plan to rent a car at their own expense (though it can be tax deductible!)*

Cost Explanation:

Flight: \$437.60. It is possible for an individual to get a slightly less expensive fare. The group booking helps ensure we all get on the same NON-STOP flight and Southwest lets us check two pieces of luggage

Hotel: \$66.10 per room per night, including breakfast

Ground Transportation: The estimated cost of rental cars and fuel is \$100 per person. We would greatly appreciate voluntary contributions from those in a position to help.
