

FISH Group Registration Form

Form Date: _____

A FISH group is 6-10 adults who gather to form a community, celebrate holidays and life events and learn more about subjects of mutual interest. Based on members' interests, FISH gatherings can be social, service-oriented, spiritual, or study-oriented. Groups meet monthly in members' homes or at other places such as movies, museums, or parks. FISH groups form lasting bonds by creating a caring and personal community within the church.

Complete additional questions on reverse side

Would you like to host an initial planning meeting for your FISH Group: Y N

Complete the Answer below and include children in your answers if they will be included in FISH Group activities.

- A) Describe the faith background and interest of each adult member in your family.

- B) LOPC Involvement/Current Activities:

- C) Describe your special interests and talents (adults & children):

- D) What are you looking to gain or benefit by participating in a FISH Group?

Are there other church members you would like to have in your FISH Group? (We will try to accommodate, but cannot guarantee, this request).

A successful FISH Group requires time, patience, and energy from its members. When you are placed in a FISH Group, please stay with at least 5-6 months; the investment is worthwhile!
